Session 160: What is Today's ABA?
Instructor: Gregory Hanley, Ph.D., BCBA-D

CE Offering: 2.0

This event came from a Zoom call with Dr. Greg Hanley that was recorded on March 29th, 2021. As I mention at the outset, this call was the brainchild of Celia Heyman. She asked Greg to join the members of the ABA Study Group and the Behavioral Observations Patreon members for a special Q and A session, and lucky for us, he obliged.

We started the session with me asking Greg about an essay he published a few months ago titled *A Perspective on Today's ABA*, which you can find over at his website, practicalfunctionalassessment.com. We got into a lot of questions on this topic, including what inspired him to write the essay, what "today's ABA" means to him, how students and practitioners alike can reconcile the differing messages on functional assessment that are prevalent right now, how he feels the PFA/SBT process aligns with Trauma-Informed Care, and much, much more. The latter portion of the call included an extended question and answer session with the audience.

Instructions for this event:

1. Listen to [Session 160](#) of The Behavioral Observations Podcast. Click [here](#) for the various places to download and listen to it (note: if the link does not work, cut and paste the following into your browser: <https://www.behavioralobservations.com/start-here/>)
2. [Purchase the CE](#). This will require creating an account for first time purchases, or logging in for returning customers.
3. Check your email for a link to a quiz.
4. Take the quiz in order to demonstrate attendance. NOTE: prior to taking the quiz, you will be prompted to enter your name and BACB Certificant #. ***Please enter your name in the way you want it to appear on your CE attendance certificate.*** This is important because some customers will occasionally enter their user names into this field, and in the event of a CE audit, the BACB will likely refuse to accept documentation with incorrect names.
5. Download the certificate of completion.
6. Save all materials, including emails confirming purchase.
7. Optional: complete C.E. feedback survey, again you may need to cut and paste this URL into your browser: (<https://goo.gl/forms/vA1Uyd5hsCcCdZAG2>).

PS – please note that your participation certificate is emailed to you at the successful completion of the quiz. I have had some customers' emails get lost in their spam/junk filters. If you do not receive an email with a link to your downloadable participation certificate, please check your spam folder first, and then reach out at the email below if it is not there.

Thank you so much for participating in this BACB Continuing Education event. If you have any questions about this event or anything else related to the podcast, please feel free to email me at Matt@behavioralobservations.com!
